Call Centers, Direct Sellers, Network Marketers, MLM Organizations, Insurance,
Small Businesses, Mortgage, Real Estate, Finance, Healthcare, Manufacturing

How It Works With LEADMMASTER CRM

How It Works: When you want to make a call from LEADMMASTER, click your mouse to highlight any telephone number. The Click Dialer instantly dials that number. No more dialing by hand while looking back and forth from the phone number to your telephone key pad. When you click, The Click Dialer Key Pad instantly pops up and dials your calls. Various features are also available to assist you.

Click Dialer Features:

Play Pre-Recorded Messages: Click any of the blue arrows to play one of your 3 pre-recorded messages when you reach an answering machine or voice mail. It saves you from having to say the same thing over and over many times a day.

Read Scripts: Your 4 scripts can be displayed to assist you when talking to someone.

Record Conversations: Click the little red button to record conversations on your hard drive.

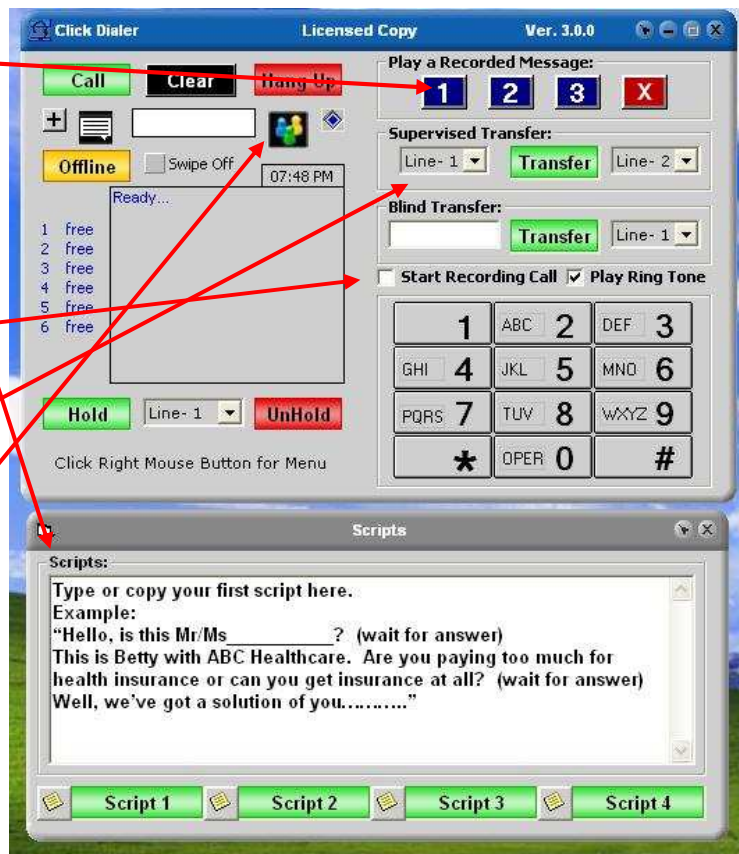

Transfer & Conference Calls: Click to conference other people or transfer a call to another person anywhere in the world.

Private Address Book: You can just click a telephone number to call any phone number in your private Address Book.

Inbound Calls: You can answer or reject inbound calls.

Bonus Feature:

When you're not using The Click Dialer with a CRM, you can place a call using your mouse by clicking and highlighting any telephone number on your computer (on emails, web sites, documents, etc.). No more dialing with your fingers!

What you need to use Cricket Click It:

- 1) LEADMASTER CRM
- 2) Desktop or Laptop PC with Windows XP, Vista, or 7
- 3) Broadband internet connection (at least 90 kbps per user)
Consistent bandwidth of at least 90 kbps of both upload and download speed per user is required. Some anti-virus software may block or degrade your VoIP service. If using a cable internet connection, we recommend using a Quality of Service (QOS) modem if your bandwidth is inadequate for high quality sound. Wireless internet connections may or may not work well, depending on signal strength.
- 4) USB or PC Headset
- 5) VoIP SoftPhone Service (see below)

2 choices of VoIP phone service:

- 1) Buy a low cost package of ZoomCalls VoIP minutes with no expiration date
...or...
- 2) Use another brand of softphone VoIP phone service

Prefer to use phone service other than VoIP or need a Power Dialer?

The 3 products below include The Click Dialer along with a Power Dialer and a CRM:
